A) No fuel allowed
B) Fuel is expensive
C) Fuel station ahead
D) Fuel tank required
5. You see a blue square sign with 'Hospital' and '5 km' written on it. What does it inform?
6. A blue rectangular sign shows a fuel pump symbol and 'Next 15 km'. What is the information?
7. On a motorway, a blue sign displays a bed symbol and '2 km'. What does it mean?
8. Define: What colour is an informative sign?
9. Define: What information do blue signs provide?
10. Define: Give three examples of informative signs.

Answer Key

1. C) Blue square — Informative signs in Turkey use a blue background (square or rectangle).
2. B) Hospital is 3 km away — The sign informs you that a hospital is 3 km ahead — use it if needed.
3. C) Provide directions and services — Informative signs help drivers by providing directions, distances, and facility information.
4. C) Fuel station ahead — The fuel pump symbol indicates a petrol/diesel station where you can refuel.
5. Blue square = informative sign. 'Hospital' = healthcare facility. '5 km' = distance ahead. The nearest hospital is 5 km away in this direction — useful for emergencies.
6. Blue rectangle = informative sign. Fuel pump symbol = petrol/diesel station. 'Next 15 km' = all fuel stations within 15 km. You know where to find fuel before running out.
7. Blue sign = informative sign. Bed symbol = rest area or accommodation. '2 km' = distance to rest area. You can take a break or sleep nearby.
8. Blue — usually a square or rectangular background with white text or symbols.
9. Directions, distances, services, facilities, and helpful guidance — hospitals, fuel, rest areas, airports.
10. Hospital, Fuel Station, Rest Area, Airport, Telephone, Camping Site.
