Answer Key

1. B) No, daylight — Headlights are not legally required in clear daylight.
2. B) Turn on headlights (dipped) — Headlights are mandatory in tunnels.
3. B) Headlights + fog lights — Use headlights (dipped) and fog lights together in heavy fog.
4. C) No, only in fog/rain — Fog lights must not be used in clear weather; they cause glare.
5. Time is 4:00 PM (before dusk, visibility is good). Headlights are NOT legally required in daylight. BUT: turning them on is always safe and recommended.
6. Tunnel reduces visibility immediately. Headlights (dipped/low beam) are MANDATORY in tunnels. Failure to use lights in tunnel = fine ₺3,150.
7. Turn on headlights (low beam/dipped). Then turn on fog lights (front and rear). Keep fog lights on only while fog persists. Remove fog lights once visibility returns (reduces glare).
8. From dusk to dawn and whenever visibility is reduced.
9. No, never. Fog lights must be used with headlights.
10. ₺3,150 fine; lights are legally required in tunnels.
