5. Describe your appearance in English.

6. Talk about a pain or injury.

7. Give directions about body parts.

8. Define: Head

9. Define: Arm

10. Define: Leg

Answer Key

1. C) toe — Toes are the five digits at the end of your foot.
2. C) ear — Ears are on the face; chest, knee and leg are on the body.
3. B) 10 — Most people have five fingers on each hand—10 total.
4. B) wrist — Your wrist connects your forearm to your hand.
5. I have brown eyes and black hair. My arms are thin and my legs are long. I have a small nose and big ears.
6. I have a pain in my right leg. My head hurts. My throat is sore. My arm is broken.
7. My hand is on the table. The book is on my head. Stand on your left foot. Point your finger at the screen.
8. Top part of the body
9. Connected to shoulder
10. For walking and running
