Cevap Anahtarı

1. C) Volleyball — Volleyball is played by two teams trying to hit a ball over a net. Swimming, athletics (running, jumping), and cycling are usually individual sports.
2. B) A net and a racket — Tennis is played with rackets and a net separating the players.
3. C) Sport — While 'game' and 'match' are related, 'sport' is the general term for physical activities done individually or in teams.
4. Think about different games you play or watch. Do they involve running, jumping, or using a ball? List some sports you can think of.
5. Generally, 'playing a sport' is used for team sports or games with a ball (e.g., playing football, playing basketball). 'Doing a sport' is often used for individual activities or sports that don't typically involve a ball (e.g., doing gymnastics, doing karate).
6. Think about sports where players have to cooperate to win. Sports like basketball, volleyball, and football are great examples of teamwork.
7. Futbol
8. Basketbol
9. Yüzme
